A podcast or generically netcast, is an episodic series of digital audio or video files which a user can download in order to listen to. It is often available for subscription, so that new episodes are automatically downloaded via web syndication to the user's own local computer, mobile application, or portable media player.. The word was originally suggested by Ben Hammersley as a portmanteau ...

Events in Denver, Colorado | VISIT DENVER

In the wake of a disaster, people often wonder if there is anything they can do to protect their family and property from the effects of such devastating losses. Hazard mitigation is the way to provide that protection. Mitigation means taking action now to reduce or prevent future damage later. There are three important elements to help reduce the impact of disasters on our
