### **language teaching research and pdf**

As a classroom teacher, I was largely ignorant of, and definitely suspicious of, research. I believed that researchers could make their studies come out any way they wanted them to, and that a good teacher who reflected on her own teaching knew much more about how to be effective with her students than any researcher did.

### **III-D. Teaching Reading to Adult English Language Learners**

Teaching English as a foreign language (TEFL) refers to teaching the English language to students with different first languages. TEFL can occur either within the state school system or more privately, at a language school or with a tutor. TEFL can also take place in an English-speaking country for people who have immigrated there (either temporarily for school or work, or permanently).
