Une sanction sociale est une conséquence de la déviation à une norme sociale; des gens vont stigmatiser, juger, punir ceux qui dévient de la norme socialement admise.

Sanction – Wikipedia

Systems engineering signifies only an approach and, more recently, a discipline in engineering. The aim of education in systems engineering is to formalize various approaches simply and in doing so, identify new methods and research opportunities similar to that which occurs in other fields of engineering.

Systems engineering - Wikipedia

This list of systems engineering at universities gives an overview of the different forms of systems engineering (SE) programs, faculties, and institutes at universities worldwide. Since there is no clear consensus on what constitutes a systems engineering degree, this list simply identifies the college and department offering degrees and the degrees offered.
