In aesthetics, the uncanny valley is a hypothesized relationship between the degree of an object's resemblance to a human being and the emotional response to such an object. The concept of the uncanny valley suggests humanoid objects which appear almost, but not exactly, like real human beings elicit uncanny, or strangely familiar, feelings of eeriness and revulsion in observers.

Welcome - Spokane Valley, WA

Silicon Valley was born through several contributing factors intersecting, including a skilled STEM research base housed in area universities, plentiful venture capital, and steady U.S. Department of Defense spending. Stanford University leadership was especially important in the valley's early development. Together these elements formed the basis of its growth and success.

Even though we love all of our Valley Yarns, Northampton has become a fast favorite! We sourced the softest

wool we could find and dyed it in a beautiful collection of solid colors and heathered shades. It is a dream to felt and soft enough for cozy garments. Northampton is beautiful and economical, too.
