Human resource management (HRM), the management of work and people towards desired ends, is a fundamental activity in any organization in which human beings are employed. It is not something whose existence needs to be elaborately justified: HRM is an inevitable consequence of starting and growing an organization. This article focuses on the scope of HRM and its major subfields.

Human Resource Management: Scope, Analysis, and

Introduction. In this Handbook, we draw together a wide variety of research that makes up the study of Inter-organizational relations or IOR. As will be seen, we include many empirical settings and a range of disciplinary and theoretical bases as well as several specific topic areas.

L Object = Luminance of the object. L Background = Luminance of the background. If we use the luminance values shown in the upper portion of the figure we can calculate that the lower portion of the cylinder, where the roadway is the background, has a contrast of $(1-22)/22 = -0.95$, with the negative value denoting that it is negative contrast.
