SMART by GEP is the world's first cloud-native, source-to-pay software that delivers comprehensive spend, sourcing and procurement functionality in a single, unified platform for direct and indirect spend management.

GEP Outlook Procurement 2018 | Strategic Sourcing and

Albeit the understanding that construction waste is caused by activities ranging from all stages of project delivery process, research efforts have been concentrated on design and construction stages, while the possibility of reducing waste through materials procurement process is widely neglected.

Waste-efficient materials procurement for construction

The PDF specification provides robust support for accessibility. The accessibility of any individual PDF file depends upon how well the author prepared the file for accessibility, and the accessibility of the experience for the end user depends on how well the PDF viewer application supports the accessibility features in the specification.
