project m3 level 4 pdf

In project management a project consists of a temporary endeavor undertaken to create a unique product, service or result. Another definition is: a management environment that is created for the purpose of delivering one or more business products according to a specified business case. Projects can also be seen as temporary organization. Project objectives define target status at the end of ...

The City Circle Line (Danish: Cityringen) or M3 is a future loop line of the Copenhagen Metro. It has been claimed by COWI A/S that the City Circle Line is the largest construction project to have taken place in Copenhagen during the last 400 years. Upon its completion, the network's total length shall be 43km and have 17 stations. Its completion has been anticipated to occur around the summer ...
