Models have emerged that include the use of care managers, behavioral health consultants, behavioralists, or consultation models. CIHS monitors activities and models around the country in order to share best practices with the primary and behavioral healthcare professionals.

Behavioral Health in Primary Care / SAMHSA-HRSA

Clozapine is usually first prescribed by a psychiatrist according to a treatment protocol. Some Australian states have allowed shared-care prescribing arrangements with GPs, but from 1 July 2015 GPs became eligible to prescribe maintenance clozapine without needing to be affiliated with a hospital. 3 At the same time community pharmacies became eligible to dispense clozapine under the ...
