### **Private and Public Displays of Affection Among Interracial**

Private and Public Displays of Affection Among Interracial and Intra-racial Adolescent Couples. Abstract. Most of the literature on romantic relationships focuses on adults. In addition, those who study the differences between interracial and intra-racial couples often look at only two racial groups, mainly black and white couples.

Touch and Public Displays of Affection. People choose to employ touch as a way to display their affection either in public or private places, depending on their values, norms, and culture. Various forms of public display of affection include holding hands, hugging, kissing, and exchanging eye contact.

### **Public Display of Affection in Couples Attending**

Public displays of affection (PDA) have become increasingly common in Korea, but outright displays of excessive intimacy still seem to be a taboo in a society ridden by conservative norms. It’s no longer uncommon to see young couples hug, squeeze or smooch in public.

### **Public displays of affection: where to draw the line?**

In public, this is one of the sweetest gestures of public display of affection. However, in private, if you have a tendency of hugging each other from the back, you may be suffering from a lack of intimacy or the repulsion of it with your partner.

## **What Your Public Display Of Affection Style Says About**

Take a step back and learn what is appropriate. Public displays of affection, also known as PDAs, may elicit a wide range of reactions from people around you. Some of the factors for tolerance include age, social norms, and customs. If you're not sure whether or not an action is okay in any social setting,...
