Classification of early platformers. The term platform game is somewhat ambiguous, particularly when referring to games that predate the widespread, international use of the term. The concept of a platform game as it was defined in its earliest days is somewhat different from how the term is commonly used today.

Dina / Telegames. Dina is a clone of both the ColecoVision and the Sega SG-1000 consoles, with one cartridge slot for each platform, and came bundled with the game Meteoric Shower, which was built into the system. It was later sold in the United States by Telegames as the Telegames Personal Arcade. The following games were in the ColecoVision format:
