

race ethnicity and self pdf

The question on Hispanic or Latino origin is separate from the question on race. Hispanic and Latino Americans have ethnic origins in the countries of Latin America and the Iberian Peninsula. Latin American countries are, like the United States, racially diverse. Consequently, no separate racial category exists for Hispanic and Latino Americans, as they do not constitute a race, nor a national ...

Race and ethnicity in the United States - Wikipedia

Many countries and national censuses currently enumerate or have previously enumerated their populations by race, ethnicity, nationality, or a combination of these characteristics. Different countries have different classifications and census options for race and ethnicity/nationality which are not comparable with data from other countries.

Race and ethnicity in censuses - Wikipedia
